To avoid any delay, we encourage you to send responses ahead of the deadline. Responses will not be opened until the stated date and time.

Section 1 – Invitation to Bidders

Sealed bids will be received by BrightRidge until due date and time, then bids will be opened and publicly read. Bidders may participate in the public bid reading by contacting BrightRidge Purchasing at least two hours prior the bid opening time stated on the specific bid. Bidders making this request will receive a conference call number and a participant code. BrightRidge Purchasing contact information: purchasing@brightridge.com or call 423-952-5161.

All bids must be delivered at the vendor's sole risk as shown in this request for quotation as per Section 2 Instructions to Bidders. BrightRidge is not obligated to accept quotations received after the date and time stated.

Exceptions, if any, will be considered in the quotation evaluation in determining the successful vendor. Vendor must provide supporting documentation with its quotation for any exceptions.

BrightRidge reserves the right to reject any or all quotations, to reject any bid that contains prices for individual items or services that are inconsistent or unrealistic when compared to other prices in the same or other bids, to waive any and all informalities and/or irregularities in the quotation, to negotiate and/or renegotiate with any vendor the terms of its quotation, and to accept any quotation which in its opinion may be in the best interest of BrightRidge. This Request does not commit BrightRidge to pay any costs incurred in the preparation of a proposal or to procure or to contract for service. BrightRidge reserves the sole discretion to withdraw this Request in its entirety at any time without prior notice.

Information provided in this Request is intended solely to assist the respondent in preparing a Quotation. To the best of BrightRidge's knowledge, the information provided is accurate, however, there is no warranty expressed or implied.

Quotations may be held by BrightRidge for a period not to exceed sixty (60) days from the due date of the quotations for the purpose of evaluating the quotations or investigating the qualifications of the vendors, prior to awarding of the order. All quotations shall remain effective for at least sixty (60) days after the due date.

Each vendor's quotation shall constitute an offer to sell the goods or services sought by this Request for Quotation. The award shall be made by execution of a contract mutually agreed upon by both parties.

BrightRidge is a trade name of the Johnson City Energy Authority.

***Questions about the integrity or fairness of the sealed bid process contact:

Callout Software RFP

Johnson City Energy Authority dba BrightRidge

1. Introduction

BrightRidge is requesting proposals from qualified vendors to provide a comprehensive roster management and callout software. The software should allow for rotational lists, reporting, and tracking of callout percentages.

The selected software will be critical in enhancing efficiency and effectiveness of callouts and the control room through minimal involvement, dialing, and response tracking.

2. Background

BrightRidge serves over 84,000 customers and manages more than 2,000 miles of electric distribution lines. On average, there are 7,000 callouts per year with 1,200 of them requiring additional resources. BrightRidge seeks software that will improve efficiency of the Control Room Staff and keep track of callouts, results, and absences.

3. Project Scope and Requirements

Proposed solutions must meet the following mandatory requirements:

3.1 Integration & Platform Support

- Must be accessible via all major web browsers.
- Application must be native to iOS and Android.
- Web and mobile applications must date and timestamp all user actions.

3.2 Licensing and Accessibility

- Must include unlimited user licenses for BrightRidge personnel.
- Field application must support internal and external crew usage. Allow for personnel to place themselves on vacation and sick leave status, show other personnel responding to the call, and display call out percentages for the user.

3.3 Required and Wanted Features

- Must support a rotational callout list.
- Must allow for callouts by job title.
- Track callout response percentages.
- Allow users to update contact information and use temporary phone numbers.
- Blast call of multiple employee phones.
- Retrievable call recordings of all calls into and out of the system.
- Pre-recorded or custom message capabilities.
- Real time status of employee availability.
- Activate callouts via web or mobile device.

4. Vendor Qualifications

Vendors must demonstrate:

- Proven experience with electric distribution utilities of similar size and complexity (2000+ miles of lines, 84,000+ customers).
- History of successful solution deployment and long-term support.
- Ability to deliver ongoing training, maintenance, and technical support.
- Submit three references.
- Complete a demo of the software and submit a video of the demonstration.
- Supply Certificate of Insurance if employees are on-site at any BrightRidge location.
